

Ever thought your drumming talent would see you playing in another country?

Ever wondered how your drumming expertise could see you offered a holiday "down under" ?

Then here, is an opportunity you may wish to consider.

In our rejuvenation period, the band is just on four years young. In that time we have gone from a band with 4 members to one of 60. We have managed to totally re-outfit the band with new uniforms and instruments.

We have bands competing in Grades 4B, Grade 4A, Grade 3 and Juvenile.

Our Australian Championships are at Easter on the 7th and 8th April. Our Grade 3 drum corps is a little "light on" so we are keen to bring a talented drummer to Australia for 8 weeks to help bolster our numbers, play in our Grade 3 corps, and work closely to assist our Grade 4 and learner players during that period. You would be required to attend practice three times per week, and play in a total of 3 contests and do a few gigs.

We have competed locally as well as in Scotland and Ireland.
