TERMS AND CONDITIONS 2023

1. On making a provisional booking, a non-refundable, non-transferable deposit of £10.00 per person will be required within 14 days in order to secure the booking.
2. We are under no obligation to chase provisional bookings. If a deposit is not received within this time, the space will be released without prior notice.
3. The final payment for all Christmas Ceilidh Parties is to be made by **Friday 24th November 2023**.
4. If numbers reduce between making final payment and the party night, monies already paid cannot be used against food, drink or credit service in the hotel. This final balance will be lost.
5. All payments are strictly NON-REFUNDABLE AND NON-TRANSFERABLE.
6. Until a completed and signed booking form has been received from the client, The National Piping Centre will not confirm a booking.
7. The prices displayed within the brochure are inclusive of VAT at its current rate.
8. The National Piping Centre reserves the right to cancel the above booking without notification if payments are not received on their due dates.
9. No food or beverages may be brought into The National Piping Centre for consumption within the premises.
10. The client is responsible for any damage caused to hotel rooms, furnishings and equipment by an act of neglect by the client. They will be obliged to pay The National Piping Centre on demand the total required to remedy any damages.
11. The Management at The National Piping Centre reserves the right to remove from the building, or refuse access to the building, any person(s) who are seen to be behaving in an unacceptable manner without providing any refund of money.
12. The National Piping Centre reserves the right to cancel an event. In this eventuality a full refund will be offered.
13. All Christmas parties and Hogmanay party nights are for guests over the age of 18.
14. Tables seat a maximum of 12 people, therefore companies will be mixed to maximise the capacity of the function room.
15. If a guest turns up late for dinner, they will be offered the current course that the function is dining on at the time.
