Thank you for supporting The National Piping Centre. We are a charity and every purchase you make helps support our activities.

A food allergy information pack is available for you.

OUR FOOD CHARTER

We pride ourselves on sourcing the finest produce locally and around Scotland; Ayrshire bacon, black pudding, Scottish grass-fed beef, as well as some of the tastiest haggis in the world. We make great effort to use the freshest seasonal vegetables, free-range Scottish eggs and dairy from great local suppliers. Our food is seasoned with Maldon Sea Salt and we enjoy Perthshire rapeseed oil in our cooking and dressings.
